Dear Friends,

May 17, 2008

Greetings. Two Feather recently returned from quite an eventful 4-month stay in the Caribbean. He is here in Houston for a few weeks before he heads out overseas again.

Many of you have been asking about his classes, so a decision was made to **set aside a short time for special workshops** and more.

We all look forward to seeing familiar faces once again as well as meeting like-minded spiritually oriented people.

Below are the dates and times. Give Janice a call to get directions. Feel free to bring a friend. We look forward to seeing you.
